Among the most interesting of these reunions was that of the National Association of War Musicians, the Colored Veterans, Hurburt's Division of the Army of Tennessee. Eleventh Illinois Cavalry, Company G of the Thirteenth Illinois Cavalry, the Southern Illinois Soldiers and Sailors' Association, the Maimed Soldiers' League, the Mississippi Ram Fleet and Marine Brigade, the Twelfth Ohio Battery, Twenty-third Ohio Infantry, the Sixteenth Ohio Infantry and survivors of the battle of Shiloh. These affairs brought together men from all sections of the country, and many were the thrilling stories of wartime experiences which were told.

The exodus has already begun, and all out-going trains this afternoon and tonight will carry full passenger lists of the old veterans.

The first idea of the shooting was that a deliberate attempt had been made to assassinate the Republican leader. An investigation of all the circumstances have led the police to the belief today that the shots were fired by some one in the crowd without any intention to injure the political leader and that it was only by accident that they struck his carriage.

Immediately following the shooting Senor Salmeron had a conference with the minister of the interior in regard to the affair.
